

**VISHWAKARMA YOJNA: PHASE-XII  
AND  
BEST VILLAGE DOCUMENTARY FILM  
& BEST PROJECT VILLAGE DEVELOPMENT AWARD OF  
VISHWAKARMA YOJNA: PHASE-X**

On

Date: 24<sup>th</sup> September, 2024 , Venue: B0-Conference Hall, GTU , Chandkheda Campus

The program commenced with the blessings of “Maa Saraswati,” followed by the GTU anthem and a token of gratitude presented to the chief guest. The purpose of the event was to provide information on the new Phase-XII of the project and to announce the top three best project village development entries from degree and diploma colleges. The purpose of the event was to provide information on the new Phase-XII of the project and to announce the top three best project village development entries from degree and diploma colleges. These reports will serve as future references for village development, highly regarded by students and nodal officers alike, showcasing the outstanding work completed by students. Additionally, the top three best village documentary films from a total of 69 participating colleges were also announced.

**Prof. (Dr.) Jayesh Deshkar**, VY-Honorary Director, welcomed all dignitaries, including principals and nodal officers from GTU-affiliated colleges, as well as students, on behalf of Gujarat Technological University. He elaborated on the objectives of the Vishwakarma Yojana project.

**Dr. K.N. Kher**, Registrar of GTU, shared insightful remarks and extended his welcome to the dignitaries present.

**Prof. Rena Shukla**, Associate Professor, L.D. Engineering College and a member of the VY Core Committee outlined the selection process, explaining how out of 52 total project reports scrutinized, 9 were shortlisted, leading to the final selection of the top 3 reports and documentary films for Phase-X.

Chief Guest **Mr. Parag Bhagdev**, IAS, Managing Director of the Gujarat Unreserved Educational and Economical Development Corporation in Gandhinagar, shared his insights on the importance of human values, skill enhancement, GPSC exam preparation, and his experiences in engineering and academia.

**Dr. Rajul K. Gajjar**, Hon'ble Vice Chancellor of GTU, emphasized the significance of the project, highlighting how it allows students to enhance their skills alongside their technical knowledge. After announcing the awards for the best project village development work and the best village documentary films, the Hon'ble Vice Chancellor congratulated and motivated the students and nodal officers for their dedicated efforts in the Vishwakarma Yojana Project, expressing pride in their contributions.
